Greetings All –

As some of you know, we here at the BID organized the first Only in Hollywood Music + Arts Festival last year. We are planning the second annual event for October 8th this year, and possibly the day before and after that, which this year will include more activities in the public realm. This could possibly include outdoor stage(s) and beer garden(s) at the parking lot on the southwest corner of Selma and Ivar.

We'd like to put together a meeting with you all to discuss the necessary procedures for us to ensure that we're complying with all laws regarding noise, alcohol, and security that goes along with a large

public event like this.

What would be your availability on Wednesday, July 13; Wednesday July 20th, and Wednesday July 27th? Please advise and I will get a time set up.

Thank you so much!
